PRESS RELEASE

FOR IMMEDIATE RELEASE
October 15, 2018

Norco Inc. opens its newest location in Orem UT. Located at 1602 Business Park Drive, this new branch along with Norco's other stores in Ogden and Salt Lake City, are perfectly situated to support both the Wasatch Front and Cache Valley with best in class welding supplies, safety solutions and service.

In addition, on Friday October 5th. Norco received the Utah Valley Chamber of Commerce Business and Education Partnership Award wherein Utah County school districts and colleges are able to recognize area companies with a Golden Apple award for their partnerships and support. Norco was recognized by Mountainland Technical College for scholarship funding, equipment donations and educational assistance in support of the school's welding program. Scott Weaver, Norco Product and Automation Specialist and Levi McCoy, Norco Orem Branch Manager attended the event.

As a privately owned medical, welding, safety and gas supplier, Norco currently has more than 70 locations throughout the Intermountain West states of Utah, Washington, Idaho, Oregon, Montana, Nevada, and Wyoming.

Norco, a family and employee owned business based in Boise, is one of a number of ESOP companies in Idaho. Norco lives by its mission statement "Serving You Better," with "You" referring to patients, customers, employees, vendors, and the communities Norco serves.
