FAST SHIPPING / NO DROP SHIP FEES / NO MINIMUMS

We Make it Easy!

**NO
MINIMUMS**

Whether you need just one or one hundred, we can do it.

**MATERIAL
CHOICES**

From acrylic to unrippable vinyl, we have just what you need. All of our materials are available for custom signs.

**VIRTUALLY
UNLIMITED
SIZES**

Need help determining a size for your custom sign? Contact us and we can help you decide the size you need to get your message across.

**GRAPHICS
WELCOME**

Just tell us what you need! Provide your own graphic (such as a company logo) or choose a graphic from our large selection.

**NEED A
SIGN IN
ANOTHER
LANGUAGE?**

If you require a sign in a language other than English and you are uncertain of proper translations, simply provide us with the message you wish to convey and our translators will prepare a sign which communicates your intended message. Contact our Inside Sales Team for more information*.

**Translation fees may apply.*

DOT (49 CFR part 172.303) and EPA (40 CFR part 262) "Require labeling substance containers for hazardous waste. Labels must be durable, in contrasting colors and in English. In placement, the label may not be obscured by other labels, attachments or markings."

Traffic Signs

- Made from rust resistant material
- Great for long-term outdoor use
- UV resistant ink prevents fading during long term outdoor use
- Signs are made from 85% recycled aluminum

Reflective Traffic Signs

- **J** suffix is .080 aluminum material with engineer grade prismatic reflective sheeting with 2 center post holes. Signs provides added visibility in low light conditions. Handicap signs are MUTCD compliant.
- **K** suffix is .080 aluminum material with high intensity prismatic reflective face and has 2 center post holes. Complies with new MUTCD Regulation for Traffic Signs on all roads open to public traffic. High intensity prismatic sheeting is over 3 times brighter than standard engineering grade sheeting.

- (1) 1" Hasp
- (2) 1 3/4" Padlocks

Master Lock

Dielectric Padlocks

- All components are non-sparking and non-magnetic
- 1/4" diameter, 1 1/2" tall nylon shackle with Xenoy® composite plastic body
- Shackle withstands over 300 lb pull
- Single key included
- Labels available in English, Spanish and French

Part No.	Shackle Clearance	1-11	12+
MP406*	1 1/2"	\$15.46	\$14.70

* BL Blue BK Black P Purple
 G Green O Orange R Red
 Y Yellow T Teal

Master Lock

Aluminum Padlocks

- Corrosion resistant solid aluminum
- Lightweight, spark resistant aluminum bodies
- Locks are keyed differently
- Single key included
- Keyed alike with or without master key available; call for pricing

Part No.	Shackle Clearance	1 - 11	12+
AL1*	1 1/16"	\$15.46	\$13.92

* BL Blue BK Black
 G Green O Orange
 Y Yellow R Red

Master Lock

Lockout Padlocks

- Over 10,000 unique key codes, 4-pin tumbler cylinders
- 1 1/2" wide heavy duty laminated steel case constructed with hardened 9/32" shackles
- Full keying capability for most commercial applications
- Locks are keyed differently
- Two keys included
- Keyed alike with or without master key available; call for pricing

Part No.	Shackle Clearance	1 - 11	12+
MPS*	3/4"	\$12.24	\$11.02

* BL Blue BK Black
 G Green R Red
 Y Yellow W White

Safety Lock Hasp

- Dielectric, unbreakable, heat and cold resistant
- Allows more than one worker to lock out the same energy source for added safety
- Accepts up to six padlocks with shackle diameters up to 3/8"
- Heavy duty nylon construction

Part No.	1 - 11	12+
MS01	\$4.96	\$4.70

BILINGUAL SIGNS

Communicate safety to all your employees. Spanish is the second largest spoken language in the United States after English. In today's work force, it is common to have a combination of English and Spanish speaking employees working together. Post Bilingual or Spanish Signs, Tags & Labels to communicate safety throughout your entire facility.

Description	1-24	25+
3" x 1000'	\$17.40	\$13.93

Tape Tender® Barricade Tape Dispenser

- Lightweight construction
- Dispenses 1000 ft. rolls of tape, avoiding waste and snarls
- Made from a sturdy polypropylene storage reel equipped with a hardened steel safety cutting blade and carrying handle
- Can be used with any 2" or 3" plastic tape on 3" cores
- Tape advances as needed using thumb
- Easy-fill, self-storing reel
- Tapes sold separately

Part No.	Price
TT1B	\$37.88

Webbed Barrier Tape

- Made from woven polypropylene
- Chemical resistant, weatherproof, fade resistant
- Tensile strength is in excess of 220 lbs
- Reusable
- Available in three colors
- Roll sizes: 3/4" x 50 yds & 2" x 50 yds

Part No.	Color	Size	1 - 11	12+
BT4BY	Black/Yellow	2" x 50 yds	\$11.61	\$11.03

BT7RB	Red/Black	2" x 50 yds	\$11.61	\$11.03

Resilient Anti-Slip

- Resilient tape made from laminated, calendered film
- Pressure sensitive adhesive backing
- Great for commercial applications
- Available in black and gray
- Available in various sizes

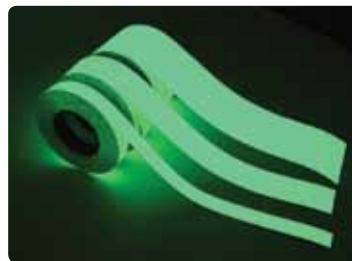

Black	Gray	Size	1 - 11	12+

7520 Glow Anti-Slip Tape

Mineral coated photoluminescent tape absorbs and stores energy from light sources and is immediately visible in the event of a blackout.

- Ideal for stairs, ramps, landings and other potentially slick surfaces
- Meets ASTM 162, 648, 662 and 2072-00 standards

Part No.	Size	1 - 11	12+

Visit nationalmarker.com for complete selection of Utility Tapes!

Safety Tapes

Perfect for color coding, aisle marking, duct sealing, abrasion protection, joint sealing, pipe wrapping, decorating, light bundling, packing and safety marking.

- Waterproof and wear-resistant 5 mil vinyl tape comes in two sizes 2" x 36 yards and 3" x 36 yards and various colors and styles
- Apply self-adhesive backing to clean, smooth dry surface.
- Easily apply by hand or with the floor applicator (sold separately)

Marking Tape Floor Applicator

- Stable, stand alone design
- Holds up to a 4" x 60 yd roll floor marking or a 4" x 50 yd roll pavement marking tape
- Quick and easy application with no bending or stooping
- Large wheel base ensures smooth placement of tape
- Heavy duty construction stands up to years of constant use
- Minimal assembly required

Part No.	Price
FTA01	\$172.47

IT'S THE LAW

Safety code designations for tape colors as recommended per OSHA 29 CFR 1910.144 (a)

- Danger Red for Fire Protection apparatus and containers of Flammable Liquids
- Orange for dangerous parts of Machinery or Energized Equipment
- Caution Yellow for Physical Hazards
- Blue for warning against starting Equipment under Repair
- Green for Safety and First Aid equipment locations

PIPE MARKERS

Precoiled and Strap-On Pipe Markers

- Conforms to ANSI A13.2007 standard for pipe identification
- Use on wet, oily, cold and dusty pipes where pressure sensitive vinyl markers won't hold.
- Can be removed and reapplied in other areas
- 360° visibility
- Ideal for indoor or outdoor use
- 8 sizes – F, G and H supplied flat with nylon, UV stabilized ties
- Call for custom printing (min. 10/legend)

Due to the ANSI A13.1 standard many of the legends listed below are available in other colors. Please call our Inside Sales Team for availability. Other colors available; White on Red, Black on Orange, Black on Yellow, White on Brown, White on Green, and White on Blue.

Please see NMC's Safety Identification Catalog for our full line of Precoiled, Strap-On and Pressure Sensitive Pipe Markers.

GO GREEN...

Put NMC's Eco-Friendly Signs To Work For You!

Looking for environmentally friendly products? Then NMC's high-quality signs with post-consumer recycled products are for you!

Show everyone you're an environmentally sensitive organization by displaying "green" signs throughout your facility. "Green" your workplace - office, cafeteria, manufacturing, and warehousing areas, etc - with products like our three-sided Tri-View signs which are made from 70% post-consumer recycled plastic. Or, remind your employees and visitors to "Think Green" with our Green @Work signs which are made from 75% post-consumer recycled plastic. Utilize these sustainable, recycled content products and earn LEED certification points!*

Looking to save money **AND** show your concern for the environment? Consider our Eco Exit Zero Energy exit signs. Every facility is required to install exit signs, why not minimize the cost? Our Eco Exit photoluminescent signs (see page 158) have no wires and no toxicants. What's more, they require zero energy and minimal maintenance (an occasional dusting!) thereby saving you hundreds of dollars per exit sign each year!

NMC's selection of Tri-View, Green @Work and Eco Exit signs, along with a host of other products designed to raise the environmental consciousness of your employees and visitors, is available in our **full catalog or on nationalmarker.com**

*See LEED certification at www.usgbc.org

CUSTOM CAPABILITIES

Say What You Need to Say ... Your Way ... in a Thousand Different Ways!

- Choose from NMC's large variety of material options.
- Select the shape and size for your unique message.
- Add your company logo to follow your branding strategy.
- Add your own photo or graphic to enhance your message.
- Add a custom footer to a standard safety sign, tag or label.
- The possibilities are endless ... so say what you need to say!

What does your
message look like?

Have a great idea? 💡

Call 800.453.2727 to talk to one of our Inside Sales Representatives to help you get started or visit www.nationalmarker.com and build your own sign with our CUSTOM SIGN SHOP!
